

**MAINTENANCE MANAGEMENT POLICY EMPLOYEE**

I.....

as the employee of

.....

am committed to being part of maintaining safe, reliable and roadworthy equipment through the planned and scheduled maintenance program in accordance with the company and the Western Australian Heavy Vehicle Accreditation.

I am aware the maintenance management program is structured on, and adheres to, the requirements of Main Roads WA Accreditation scheme and includes a start-up procedure, daily vehicle check, planned services, regular roadworthiness inspections and effective fault reporting and rectification.
